

The Houston Cake Club

Information Concerning Discounts Given with Club Membership Cards

Membership discount cards are issued to members after dues are paid. This is a benefit of being an active member.

Discounts are available when the membership discount card is received.

Member discounts are available at these participating stores:

- Over the Top Cake Supply, 453 Sawdust Rd., The Woodlands, TX 77380, phone: (832) 458-0995; www.overthetopcakesupplies.com/thewoodlands
- Smart Lace Décor in Houston, TX <http://smartlacedecor.com/>
- [Sweet Nation, 12440 Oxford Park Dr Suite C-101, Houston TX 77082. Phone: \(832\) 942-9109](http://www.sweetnationco.com) -- Jessie Lopez and Mariana Beltran.

Each year we change the color of the card to make it easily recognized by the participating shops. A sample card is furnished to each participating store.

Membership discount card **MUST** be presented **BEFORE** your purchase is rung up to receive a discount. The cashier must **see** your card to verify discount eligibility. Please do not expect the store employee to remember who belongs to our club.

Please don't share your card with others. Instead of sharing with a friend, have your friend join the *Houston Cake Club* and get her own Membership/Discount card. If you send your husband to pick up supplies, don't forget to send your card with him.

If you have forgotten your card, please don't expect special treatment or be rude to the cashiers. Remember – **NO card, NO discount.**

It is important to understand and comply with the agreed upon procedures. We would hate to lose this generous privilege.
